Пение на иностранном языке позволяет сделать процесс обучения не только увлекательным, но и продуктивным. Напевая песни, ребенок непроизвольно усваивает значительное количество лексики и лучше справляется с грамматическими трудностями.

Сборник «Animals» является второй книгой в серии «Songbirds», включающей в себя 6 книг и 3 диска со 150 известными песнями на английском языке, а также книгу для учителя с подробным описанием игр на основе песен, которые помогут разнообразить учебный процесс. В сборнике «Animals» собраны песни о диких и домашних животных и птицах.

Пособие может использоваться с любым курсом английского языка в начальной и средней школе.
